

## Film to Video

Your family will be enthralled when you have your home movies transferred to video. We are constantly told by our customers that it is the best gift that they have ever given to their loved ones. A home movie transfer from Barbosa Video Services is money well spent.

Just think, you can have a priceless keepsake that every family member will enjoy watching for generations to come.

We can transfer 8mm, Super 8mm, videotapes and photos/slides to DVD. It makes a great birthday, anniversary, or Christmas gift! There is a 100 feet minimum requirement.

**Call for pricing - (209) 324- 5327!**

## Duplication

Copies of your video may be made from VHS, S-VHS, 8mm, Hi8, Mini-DV, DV, DVD or DVCam masters to the DVD-R format. (You must have permission from the copyright owner to duplicate a videotape or DVD!)

## Scripting

Development of your script begins with a brainstorming session with members of your staff and ours. From the brainstorming session a "treatment" (narrative) of the script is written. When the treatment is approved, the first draft of the script is written. When the final draft is approved, then selection of the locations, talent, and crew members begins.

## Videotaping

We videotape meetings, workshops, informationals & promotionals, school events, reunions, training videos, and more. Videotaping may be done in a variety of formats. We primarily use the AVCHD or Mini-DV (Digital Video) format - but we can also videotape using DVCam.

## Editing

Editing is done on a system which offers a wide variety of digital video effects, graphics, and animations. (Additional fees apply for use of computer animations.)

## Web Design Services

A basic design costs \$750. This includes your main page and up to four others. You provide us with the information for your site and we will provide a variety of styles for you to select from. We will maintain your site for an additional \$50 per hour. This includes visiting your site monthly and changing any necessary information to keep your site current.

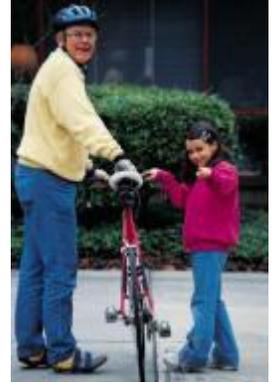

The basic design includes your first year of fees to the Internet Service Provider that hosts your site and for domain name registration!

## Biography Videos

Why let precious moments with your parents or grandparents slip away when you can capture them on videotape for generations to come? Learn about your family's history, the hopes and dreams of your mother and father.

Barbosa Video Services will come to your home to produce a quality personal biography of your parents or grandparents. We will add music and titles, and insert up to 15 stills and/or video clips. We will even provide an interviewer.

A Personal Biography is money well spent. You will have a priceless family keepsake to pass on to your children and theirs.

## Celebrity Video Package

**If you are an expert in your field (chef, karate, business consultant, etc.) and have people in your community seeking your knowledge, this package may be for you.** It includes the opening and closing of the video with high quality animation, music, and titles; the production of a live-to-tape 30-minute program with you as the star; and 50 DVD copies with a color cover. **Sell them to clients, at speaking engagements, trade shows, or on eBay!!!**

## High School Sports Recruitment Videos for College

If you are a high school sports athlete who lives in San Joaquin, Stanislaus, or Alameda County and are planning on playing college or professional sports - you may want to send them highlights of your athletic achievements. We can edit VHS, VHS-C, S-VHS, 8mm, Hi8, Mini-DV, DV, DVD or DVCam. **You provide the footage and we can edit your highlights package with NFL style music and graphics and put them onto DVD for easy viewing.**
